Warranty

Player Wire Wheels LTD (hereafter referred as Player) warrants to the original purchaser that wheels distributed by Player will be free from defects in materials and workmanship under normal and reasonable use for one year from date of purchase. Player's obligation under this warranty is limited to the repair or, at Player's option, replacement, without charge except for transportation and installation of any wheel in which Player's opinion is defective in material or workmanship.

Upon claim to Player, the warranty applies as follows: Player warrants its wheels to be structurally sound for their lifetime. Any and all out of round claims must be made within 30 days of purchase. Player warrants the chrome finish for 1 year and the paint finish for 90 days. All warranty claims must be claimant's original invoice or bill of sale, which is provided by the end user of said products. Any claim made pursuant to this warranty shall be conditioned upon Player's inspection of wheels upon which claim is made and Player's determination that there is a defect in material or workmanship.

This warranty shall not apply to:

1. Any defect, malfunction or, failure, caused by: damage while in transit, off-highway use, competitive events, conversion adapters, or by abuse, misuse, accident or neglect.
2. Wheels that have been altered, repaired, or chrome plated by anyone other than Player.
3. Wheels that have not been installed in accordance with normal installation or installed with incorrect tire sizes or used with excessive loads.
4. Wheels that have been installed with other than Player approved hardware, such as: lug nuts/bolts, valve stems, balancing weights, and center caps.
5. Wheel corrosion or cosmetic flaws occurring after purchase due to chemicals, caustic-cleaning agents, climate conditions, neglect, or lack of proper cleaning.
6. Damage caused by incorrect mounting or installation.
7. Appearance defects in wheels that have been mounted after purchase or have been sold as a blemished product.

This warranty is valid only for wheels purchased in the United States and when the wheel is returned to the authorized dealer from whom it was purchased, freight prepaid, together with proof of purchase. Transfer of title by original retail purchaser voids the warranty.

This warranty is the sole and exclusive warranty given with respect to the wheel and all other express warranties are hereby excluded. Neither Player nor an authorized Player dealer who sells the wheels is responsible for indirect, incidental or consequential damages. Some states do not allow limitations on how long an implied warranty lasts and/or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations on implied warranties and/or the exclusions and limitations may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.
